

TWELVE WAYS TO PLEASE GOD

January 30, 2008
Jim Butcher

DISCUSSION POINTS:

Introductory Question: Why should a “reverential fear” of God motivate us to live lives pleasing to the Lord?

Discussion:

- Which things that displease God in Proverbs 16 give you the most trouble?
- Can you recall a time when you committed a difficult situation to the Lord and He worked out a surprising solution?
- Do you know of a situation where a prideful person was humbled by the Lord?
- Can you name a Christian leader in your acquaintance that exemplifies the God-pleasing attributes of Proverbs 16?

Remember to close your table time in prayer for one another.

APPLICATION:

-- Make a conscious effort to minimize the attitudes and actions which clearly displease God.

-- Make a conscious effort to display the God-pleasing attitudes and actions in all your relationships for the next seven (7) days.

-- Read Proverbs 16 again tonight before you go to bed and underline in your Bible the truths that have impacted you today.

ON YOUR OWN...

Proverbs Chapter 16

V. 20...blessed (happy) is he who trusts in the Lord.”

SUMMARY:

God is clear in Proverbs 16 what man does to displease Him. However, God is equally straight forward with the attitudes and actions of man that bring Him great joy and are the marks of a Christian leader who is walking with God.
