## SUMMARY:

As we live our lives in a world that does not understand the things of God, we are bombarded daily with evil. The Holy Spirit gives us the gifts to show Christ to the world.

But as we go about our daily lives what shows the most is our character, who we really are. So with the Holy Spirit's help and our decisions we walk a godly life, if we make the right choices. What is the character that we want to show to those we see or do business with?

## NOTES:

## DISCUSSION POINTS:

- Explain what “remaining in Christ” means to you.
- What are the qualities God wants to produce in your life through the Holy Spirit?
- As the Holy Spirit continues to develop His fruit in your character, how will this affect your emotional world?
- What role does reading God’s Word on a daily basis play in establishing the Biblical Christian’s foundation?

## APPLICATION:

Letting Christ thru the Holy Spirit change not only your spiritual side but also your character. Which will make your life a happy life. But it is your choice. So chose the way of Christ each day and allow Him to run your life, not self.
