I want to change!

You can become someone else

SUMMARY:

The hardest person you'll ever have to deal with is you!

Find out what's in the way of you changing!

NOTES:

DISCUSSION POINTS:

Has Huddle motivated me to change?

After All this time am I really afraid to change?

Am I really afraid to surrender?

APPLICATION:

To want Godly character is one thing; to know how to acquire it is another. The path is revealed by Jesus Christ. To choose his way is to cast away the false and find true liberation. A revolution of the soul awaits you. If you choose to break free, you will stand apart from the masses. At times you will stand alone but if you are willing to risk everything, you will find two forces that will change your life forever, God and yourself.

ON YOUR OWN...
