9.16.09

Jon Tice

When they came, he looked on Eliab and thought, "Surely the LORD's anointed is before him." But the LORD said to Samuel, "Do not look on his appearance or on the height of his stature, because I have rejected him. For the LORD sees not as man sees: man looks on the outward appearance, but the LORD looks on the heart."

1 Samuel 16:6,7 (ESV)

SUMMARY:

David was the youngest and 8th son of a man named Jesse. He became the second and greatest of Israel's kings and lived about 1000 years before Jesus Christ, who is David's "greater son" because Jesus was in the ancestral line of this amazing man. The Bible describes David's life as Warrior, Poet, Musician, King, Prophet, Worshipper of God and Leader of Men. His incredible highs show the Warrior David, killing the giant Goliath are tainted by the Adulterer David, with Bathsheba who plots and his responsible for the murder of his own loyal soldier Uriah, who was Bathsheba's husband.

Our study this fall in Huddle will seek to gain real wisdom from this man's life so we may aspire to his heights and receive warning yet hope from his failures. Join the journey to the heart!
